Subject: FW: FOIA Request

Mrs. Capasso

My company, GBC Metals, requests assistance with a FOIA regarding Mueller Brass as referenced below:

Pursuant to the Freedom of Information Act, we are requesting copies of any applicability determinations issued by EPA with respect to 40 CFR Part 63 Subpart TTTTTT ("6T"), as well as the underlying requests for such applicability determinations. This request includes, but is not limited to, a request for applicability determination submitted by Mueller Brass Company and applicability determination issued by EPA in response to said request.

We appreciate your assistance with this request. Our counsel, Brandon Neuschafer of Bryan Cave LLP, has formally submitting a request to EPA Headquarters using the FOIA Online system. With respect to the Mueller Brass Company request, we understand that was submitted directly to Region 5. We have a meeting with Kushal Som on 5/15/14 and would appreciate any information regarding Mueller Brass that you could provide prior to our meeting. We are happy to pay any fees or costs associated with this request.

Please let me know if you can assist us.
